

Special Area

At 9:15p.m. the 1st & 2nd graders head to bed, but the 3rd-5th grades have a special area activity that they participate in until 10:30p.m.

We need ALL 3rd-5th grade leaders to volunteer for one of the following special areas.

(Please sign up to assist with one special area tonight)

We provide all the supplies and ideas for the area, we just need adults to lead that time. Each Special Area includes a debrief which ties into the theme for the weekend.
