

What to Bring

Clothes:

Basically just comfortable pants and shoes - you will be given a T-shirt when you arrive and you will wear it Friday night and all day Sat. This year's t-shirts are charcoal grey and will most likely be long sleeve.

Bedding:

You will be sleeping on the floor of the church in the north building and it is not very soft - you might want to bring something for further comfort (air mattress or camping cot). Bring a sleeping bag and blankets - it gets cold at night! Also, there are many emergency lights that do NOT turn off. You may need a sleep mask!

Showers:

There are showers in the Rec Center - so if you are one of those people who need water to wake you - bring what you need to shower!

There will be a Rec Center worker there to let you in beginning at 5:00 a.m. Make sure to coordinate with the other leaders for your age group, so that all the leaders for your group aren't gone at the same time.

Bible Study Supplies:

All supplies for your Bible time will be provided. If you plan to do an extra activity not in the Bible study and need supplies, please let Melissa Kaiser know NO LATER than Sunday, February 12th (mkaiser@dawsonchurch.org).

Food

All meals will be provided (dinner Friday night, breakfast Saturday morning, lunch Saturday, and a snack Saturday afternoon). Coffee will be piping hot and ready to go early Saturday morning.

Heart - Please make sure you are prayed up and prepared for the weekend.
