

## Specific Guidelines for *24 Hours 4 Him*

☀️ Be a growing Christian with a strong commitment to personal holiness and a regular time of prayer and Bible study.

☀️ 24 Hours 4 Him leaders must have attended Dawson for at least 6 months and exhibit a commitment to our church in the following ways:

- attending worship service
- tithing
- getting involved with, and attending church activities with people in your own age group.

☀️ Each 24 Hours 4 Him investor must have completed the **Child Protection First** application and background check process.

☀️ Feel a calling to work with children and have a positive attitude towards children.

☀️ Respect the diversity and gifts of the other children's volunteers.

☀️ Be above reproach in your interaction with children and children's volunteers.

- avoid riding alone in the car with a child
- avoid any physical contact with a child that could be misinterpreted or raise suspicions
- do not meet one-on-one with children (do not go alone with them in the bathroom or any other area)
- make sure two teachers are always in the room

☀️ Inform the Minister of Children of any suspicions of child sexual or physical abuse. If a child confides in you – you are responsible by law to report it.

☀️ Inform the Minister of Children immediately of an incident or injuries that occur in the classroom or during a church sponsored event. An incident report form will need to be filled out.

☀️ Support and show respect to the children and their parents, and pursue good relationships with them.

☀️ Respect and support the church staff and leadership.

☀️ Promote unity and respect for the Children's Ministry and church.  
- avoid negative talk (gossip, slander, repeated criticism) toward children, parents of children, or other children's ministry volunteers.  
- support children's ministry activities

☀️ Be above reproach AT ALL TIMES in your actions never doing anything to make children feel uncomfortable or for you integrity to be questioned.

☀️ Be careful not to partake in any activity that could be misunderstood by the children. (If you have an ounce of doubt...DON'T DO IT!)

☀️ Have a positive witness in your personal life, activities, and relationships (treatment of spouse and children, alcohol consumption, activities outside the church.)

☀️ Make sure **ALL** children are picked up at their room by their parents using matching tag system. NO CHILD SHOULD BE RELEASED FROM THE CHAPEL.

☀️ Pursue excellence in ministry responsibilities:  
- pray  
- BE PREPARED
